“ So very sorry to hear of Kevin's passing. Every contact I had with Kevin through our time at Wachusett was always fun....his infectious smile and laugh was his everyday personality....just a great guy. He was so fortunate to have such a loving family

around him throughout his life.

“ Kevin and I didnt always see eye to eye but we always had a mutual respect for each other and I admired the family dynamic that he had created over the years. He was more than generous to my family when we needed it the most.....something I will never forget. It meant the world to me then and still does in memory. I can't imagine what all those who loved him are feeling....but for me, I loved who he was and will never forget his kindness. May God embrace and look after you until we meet again.  
Love
