“ Only recently learned of Henry's passing. Henry was kind, generous, and perpetually of good humor. He was certainly a blessing to his family and acquaintances.

“ Linda, Suzanne, and family,

It was very sad to hear this news. Memories have been coming to mind such as our many holidays together with Henry as the ringleader...Henry helping me get a winter break job at St. Pierre's...Henry participating in our 4th of July fireworks at the Cape...Henry attending Trish's wedding which ended up being the last time I was able to see and talk with him...We had lots of great times together over the years.

Probably the best memory that I will keep of Henry is that bright smile and eye contact he gave me whenever I entered his presence. I think a lot of us shared that one. Henry was someone I learned from and looked up to. It was really an honor to have known and spent time with such a great guy.

So sorry for this tremendous loss,

Chris Ethier

“ I am so sorry to hear of Henry's passing. In 1969 and 1970, I was in a work/study plan at WRHS. I was fortunate enough to work at St. Pierre Chain, and the friendship and fairness of Henry, Edward, and Richard, has been an example of how employees and people should be treated. My condolences to the family, and may Henry RIP after a life well lived
